QUALITY CHARTER

## Quality Charter

As part of its policy of education, scientific research and social responsibility, Ferhat Abbas University of Setif is committed to mobilise all its resources to carry out its statutory missions within a **quality approach**. Ferhat Abbas University of Setif pledges to respect university values, in particular ethics and equity.

In its approach, the University is committed to:

- Continuously improving learning pathways and assisting students to succeed in their degree programs and professional project;
- Offering diversified degree programs, updated and coherent with the evolution of science and technology on the one hand, and in adequacy with society expectations and needs on the other hand;
- Guaranteeing the acquisition of skills that will facilitate integration into professional life and the possibility of further training;
- Maintaining a proactive approach by using innovative methods of teaching, pedagogical engineering, and language learning;
- Fostering scientific research, innovation and excellence;
- Maintaining mutually enriching relationships with its local, regional, national and international environment;
- Maintaining a scientific, technological and pedagogical vigilance;
- Sharing scientific research results;
- Providing a friendly and attractive environment for the university community to fulfil its statutory missions;
- Encouraging international partnerships;
- Mobilising and optimising funding resources;
- Ensuring transparency through information dissemination and communication internally and externally;
- Promoting consultation and participatory governance;
- Offering university community, a pleasant environment for leisure, sports and cultural activities;
- Guaranteeing the integration of people with special needs into university life.

***«The culture of quality is a collective practice reflecting commitments that have a positive impact on the entire dynamic of the institution's activities.»***
